## Honor Roll of Donors and Annual Report Fiscal Year 2014

( July 2013 - June 2014 )

## Letter from President Deb Voth

It's been a great year for Rainbows as we continue to unveil the masterpiece within each child we serve. Through the leadership of our dedicated Board of Directors Rainbows was able to refinance our combined debt, paying out to many creditors early, providing increased financial strength and more manageable monthly payments.

Our committed partners continue to help shape and support our efforts to implement new technology and drive our processes into a better future. Members of our Finance, Human Resources, and Operations Committees along with the Technology Task Force have been instrumental in researching internal needs, evaluating possible solutions and implementation for upgrading Rainbows' software and streamlining processes for increased efficiencies.

Our development goals continue to propel us forward to enhance our fundraising events in fresh, exciting ways to help lay a solid foundation for providing services for children with special needs and their families, birth through age 21. Each of our special events has had a record breaking year.

I am always inspired when I talk with families and hear what they have to say about the professional staff who come to their home or coordinate their services or help them discover ways to be a better parent. We've included many of those quotes in this report. I hope these words from parents shed light on the transforming work that we are honored to be a part of every day.

**Mission:** Rainbows United, Inc. enhances the lives of children with **special needs** and their families by bringing together community resources and providing customized services.

"I am so much more at ease, knowing that my child is at Rainbows, that no one will judge him because of his needs. High quality care allows me to go to work."
